coface uk 

credit solutions for business

The reason Coface UK can offer this unique service is that we provide a complete portfolio of solutions for trade credit:

- Collection management services
- Credit insurance
- Credit assessment services
- Factoring/Invoice discounting

We therefore have the qualified staff and resources to help businesses with all aspects of credit management, both in the UK and internationally. Our experienced advisers will tailor a programme to match your company's specific needs, and a dedicated account manager will efficiently handle your requirements.

Backed by unmatched expertise and security

Coface UK is part of the Coface Group, meaning that all our services are backed by the resources and expertise of the world's leading international credit insurer, with over 85,000 clients in more than 90 countries worldwide.

flexi collect

coface uk 

credit solutions for business

is your cash flow drying up?

...keep it flowing with Coface UK.

Would you like to improve your company's cash flow by improved collections and credit information, but are not sure of the exact approach to take? Perhaps you have only a few problem accounts at the moment, but want to take up with new defaulters as they occur. Or perhaps you want to trial a collections service with just a few accounts at first...

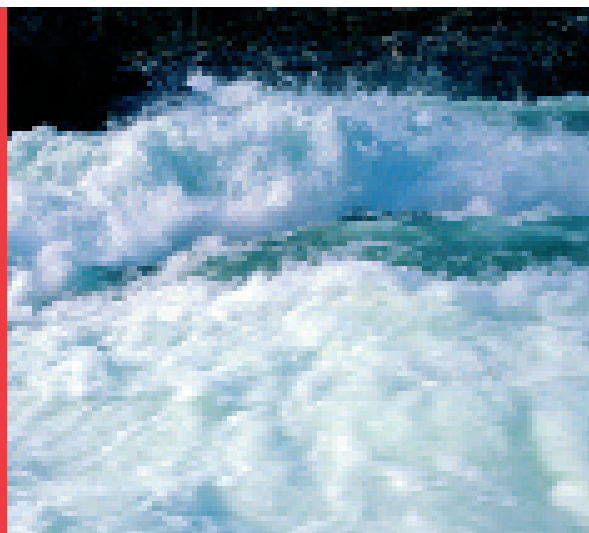

Try Flexi Collect. It's as easy as 1,2,3!

1. Place your debtor details online at our dedicated Flexi Collect website.
2. The system immediately sends the debtor a final demand letter on Coface UK headed paper.
3. You either receive payment from the debtor or our experienced collectors chase the debt for you.

How much will it cost?

There is a range of packages available to suit every business:

- One-off payment to buy the service.
- Percentage of any money we collect for you after an agreed date.

Many extra benefits

Besides being a great way to immediately start reducing overdue accounts, Flexi Collect can help prevent you from taking on bad risk customers in the first place. You can request detailed company reports as part of the package - both on limited and non-limited companies. You will receive a binder containing easy-to-use instructions, simplifying the whole process of chasing up debtors. Once an account has gone beyond your payment

deadline, you simply nominate it for us to follow up. There's even a free guide to good credit management, an optional pay-as-you-go online credit checking service and the ability to obtain your own @rating Quality Label that proves your business' financial health.

You have access to our free helpline and our in-house legal team should you wish to pursue a debtor further.

You can't go wrong! Here's a summary of what Flexi Collect offers you:

- A combination of up to 750 accounts collected and/or 50 credit reports*
- Professional binder with easy-to-use instructions
- Access to our FREE helpline
- Sample credit reports
- Final demand letters in 5 different languages
- FREE Better Payment Practice Guide
- FREE Guide to Outsourcing Sales Ledger Collections

* Depending on the package you select

Prices start at £249 + VAT
